To Whom It May Concern;

Please accept this letter of recommendation regarding Mr. Gordon Gisser, President of First Alliance Protection Systems.

I have known Mr. Gisser for over twelve years. We have lived in the same community and have interacted many times over the years. Mr. Gisser has assisted me on numerous occasions providing his expertise. He has consistently proved to be of the utmost caliber in both business and on a personal nature. I am impressed with his knowledge, skills, work ethic and desire to serve his clients. He is considerate, accommodating and very reliable.

Having been in law enforcement for over 20 years, as a Detective for The New York City Police Department and now Private Security Service Provider, I have had the opportunity to work with many video security systems. I must say that the product that Mr. Gisser sells is remarkable. It has very clear pictures, live view is real time and smooth, recordings are incredibly sharp, motion sensitivity displayed with the recording timeline allows you to be very proactive and saves hours of reviewing time, the remote viewing function is excellent and the system is very easy to use. It truly is at the top of its class.

If you are considering a video security system, I highly recommend Mr. Gisser and the product he offers.

Sincerely,

Angel M. Cruz
