Dear Mr. Gisser,

On November 30, 2012 the Town of Cornwall Police Department began an investigation and Officer Jon Harbison contacted you regarding data that potentially was captured by your security cameras operated by a local business. Your immediate attention to our request, combined with your very prompt delivery of the data was very much appreciated. The quality of the recording was equally helpful as it captured activity during the evening hours and was of a high quality resolution. In summary, your cooperation and level of assistance resulted in a closed case that is very much appreciated. Thank you.

Sincerely,

A handwritten signature in black ink, appearing to read "Todd M. Hazard".
